### Common international public reporting

🦉 WasserBLIcK WFD mapClient - EC Reporting Sheet: SWB2 - Base territory: Germay - River basin dis - Microsoft Internet Explorer 🛛

### EC Reporting Sheet: SWB2

Base territory: Germay - River basin district Elbe (5000)

### Water Framework Directive Article 5 Submission For Germany

### **River Basin District: DE5000**

European Code:	DE5000
Member State Code:>	5000
Name:	Elbe
Metadata:	http://www.wasserblick.net
URL to further information:	http://www.wasserblick.net
Date:	13-1-2006

### **Reporting Sheet SWB 2: Identification of Surface Water Bodies**

Area of the River Basin District in km <sup>2</sup>	-9999
Number of river water bodies within the RBD	2809
Number of lake water bodies within the RBD	415
Number of transitional water bodies within the RBD	1
Number of coastal water bodies within the RBD	6
Length of coastline within the RBD in km	-9999
Geographical scale at which the data (e.g. length, area) have been calculated in the form 1:nnnnnnn	1:250000

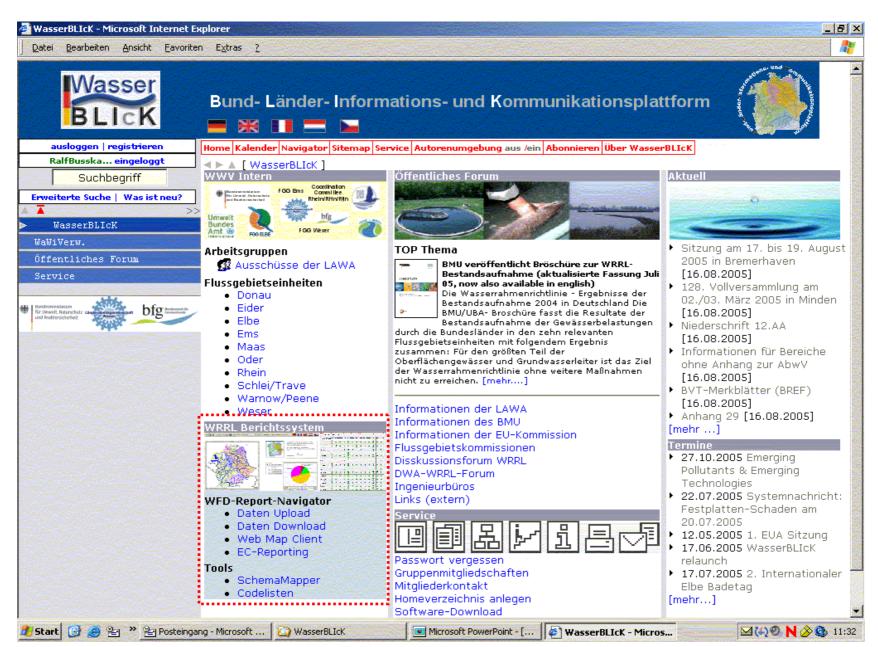

### Methodologies

	Die Ausweisung orientiert sich an den Anforderungen der CIS-Leitlinie "Water Bodies". In der Bestandsaufnahme nach Artikel 5 der EG- WRRL wurden alle Fließgewässer mit einer Einzugsgebietsgröße von mehr als 10 km <sup>2</sup> betrachtet. Zur Beschreibung der die Gewässer prägenden geomorphologischen und geochemischen Eigenschaften werden usrdiebausgies Londenbefteräume zu
